The smaller classrooms make it easier to get individual help from the professors, as well as learn from the students within my class. I would not change a thing about my decision to attend TAMU-CC.

Courtney Gaither
Harlingen, Texas

The opportunities that A&M-Corpus Christi has to offer are incredible. I've worked with influential professors in their respective fields and state-of-the-art equipment that will help long after graduation.

Edgar Martinez
Fort Worth, Texas

TAMU-CC is a place where you can be yourself, and reach your career goals. It has a great atmosphere to expand your knowledge and prepare you for the professional world.
