FIND YOUR PURPOSE
WHERE ISLAND LEARNING MEETS ISLAND LIVING
HELLO STUDENT!
At Texas A&M University-Corpus Christi, you’ll find unique, hands-on learning and leadership opportunities in a relaxed coastal environment. Protect marine life through research, promote healthy living through nursing and health sciences, bring people together through the arts, or lift up future generations with a career in education or business. Join a purpose-driven university with more than 85 areas of study, and more than $130 million in aid and scholarships awarded each year. Apply today! We’re ready to help you find your purpose.
